

Criminal Justice

Associate in Applied Science Degree

Why Criminal Justice?

Criminal Justice is an exciting and competitive field, and students interested in pursuing a career in this area need to be focused, disciplined, and dedicated to excellence. This program offers students a variety of courses across all disciplines in criminal justice. The instructors have a vast array of experience in the field and bring unique perspectives to each course. Students who complete the four core criminal justice classes will also have the opportunity to complete an internship that provides real world experience in a criminal justice agency.

Why Bay College?

The [Criminal Justice program](#) at Bay College offers students a solid education in the Criminal Justice field presented by instructors who have a vast array of experience and at least five years of field work in the areas of Law Enforcement, Criminal Courts and Corrections. The expertise brings a practical and unique perspective to each course. Class sizes are small, and instructors take a very hands-on approach to teaching this very interesting and important degree path.

Beyond Bay College

This program is designed for students who wish to transfer to a 4-year university or college and pursue a baccalaureate degree in criminal justice. In preparation for transfer, this program provides students with a strong general education background, and upon completion, will satisfy the Michigan Transfer Agreement General Education Requirements.
